Mathru Chaya provides food for poor on festival

At the Green Clean Campaign event

Mathru Chaya Foundation organised Pongal celebrations by providing free lunch for the poor construction workers of the city. More than 100 workers were present at the event. The programme was organised with a notion that no one should be left hungry during the festive season.

City doctor recognised for his achievements

Dr Rajan Ravichandran, Director Madras Institute of Nephrology, Vijaya Hospitals, Chennai has been elected a Fellow of The American College of Physicians (ACP), the society of internists. The distinction recognises achievements in internal medicine, the specialty of adult medical care.
